Thanksgiving Addition

The illustration shows four children standing behind a white table. From left to right: a boy in a Pilgrim hat and dress, a girl in a Pilgrim hat and dress, a boy in a Native American headdress and tunic, and a girl in a Native American headdress and tunic. The table has two 2x5 grids of boxes on top. Below the table, there is an addition problem structure: a box, a plus sign, a box, an equals sign, and a final box.

$\square + \square = \square$
